

Sufficient is Your Grace, O Lord

Tune Meter: St. Peter

Suggested Tune: CM

Sufficient is Your grace, O Lord,
Your church e'er to sustain,
And all who put their trust in You
Shall in Your love remain.

Three score and fifteen are the years
You've led us on our way,
And been our Savior, Shepherd, Rock –
Our staff, and yes, our stay.

Tis by Your grace that we have passed
Through triumph, trial, and loss,
And by Your grace that we have known
The blessing of the cross.

And though the faces over time
Have changed here in this place,
The constant that has seen us through
Is Your amazing grace.

As friends and fam'ly we have lost
Throughout the many years,
Your grace consoled our broken hearts
And dried our many tears.

Thus, now into the future, Lord,
We know You'll guide our way,
For You have been here in our past,
Our hope from day to day.

We, therefore, gather here today
To praise Your holy name,
The God who is and was and will
Be evermore the same.

And may this church, whate'er may come,
Down each and ev'ry pew,
Be filled with those who live their lives
Always, only, for You.
