

As Jesus Walked Along the Road

By Rev. John C. Stennfeld

Text: Mark 10:46-52

Tune Meter: CM

Suggested Tune: St. Agnes

As Jesus walked along the road
With ne'er a worldly care,
He heard someone call out his name
And saw a blind man there.

"Have mercy on me, David's son,"
The man, to Jesus, said,
"I want to see with these, my eyes,
That have always been dead."

Then "Go," said Jesus, "you are well,
Your faith has healed your sight,
For you believed, beyond all doubt,
The power of God's might."

May we, too, like this blind man, trust
In God to give us grace
Until that day, in heav'n above,
We see Him face to face.

Alternate final 3 lines: In Jesus ev'ry day (In Jesus all the way)

And may we look to him for grace

Til we are home to stay. (Until that last, great day.)
