

Do Not Forget This One Thing, Friends

Text: II Peter 3:8-14

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: St. Agnes

Do not forget this one thing, friends,
The Lord is never slow,
He keeps His promises, and will
His patience ever show.

For with the Lord a thousand years
Are merely as a day;
He waits for mankind to repent,
Lest they be swept away.

For swiftly will the Lord's day will come,
Like a thief in the night,
And those who have rejected him
Will be cast from his sight.

Repent, therefore, of all your sin,
And trust in Christ alone,
To wash you of your ev'ry stain,
And claim you as his own.

Live holy lives as each of you
Look forward to the day,
When from the heavens Christ will come
And take you home to stay.
