

## Do Not Suppose that Christ our Lord Came to Bring Unity

By Rev. John C. Stennfeld

Text: Luke 12:49-53, Matt. 10:34-37

Tune Meter: CM

Suggested Tune: Consolation

Do not suppose that Christ our Lord  
Came to bring unity,  
But to divide all those with faith  
From those who proof must see.

For those who will not worship God,  
And love Him as their own,  
Will never enter paradise  
To praise Him on His throne.

For to love God above all else,  
Is what it means to be,  
A child of God who'll one day live  
With Him eternally.

So may we thus, O Lord, our God,  
Bring praise to only you,  
And love you more than anything,  
Until our lives are through.
