

## For Freedom's Sake Christ Set Us Free

By Rev. John C. Stennfeld

Text: Galatians 5:1, 13-14

Tune Meter: CM

Suggested Tune: Azmon

For freedom's sake Christ set us free,  
To follow in God's way,  
That we might go and serve in love  
All those we meet each day.

For all the law can be summed up  
In just a single word,  
To "love" our neighbor as ourselves  
Is what needs to be heard.

For when we love we then reflect  
God's one and only Son,  
Who suffered on the cross for us  
Until his life was done.

So may we too give of ourselves  
To honor Christ's command,  
To love each person that we see,  
Till we in heaven stand.
