

Forgive Us, Lord, as We Forgive

By Rev. John C. Stennfeld

Text: Matthew 6:12 & Luke 11:4

Tune Meter: CM

Suggested Tune: St. Flavian

Forgive us, Lord, as we forgive,
Do not cast us away,
Blot out our sin, wash us within,
And make us clean today.

Do not treat us as we deserve,
But look on us with grace,
Remove our sin so far from us
That there is left no trace.

Teach us to walk in your commands,
To follow in your way,
That we may honor your decrees
As we live day to day.

Praise God from whom all blessings flow,
Praise him for all He's done,
Praise Him for all He's given us,
But mostly for His Son.
