

How Long, O Lord, Must I Wait

Text: Habakkuk 1:2, 2:3

By Rev. John C. Stennfeld

Tune Meter: 76 76

Suggested Tune: Christus, Der Ist Mein Leben

How long, O Lord, must I wait
For You to comfort me,
To feel your loving presence,
And from pain be set free?

I cry out to You, "Vi'lence!"
But You seem not to hear;
I wonder if you're list'ning,
Or if You even care.

And yet, Lord, You have promised,
To come and not delay,
To save me from my troubles,
And answer when I pray.

So may I always trust You,
In suff'ring, pain, or loss,
And know that You will save me,
As proved by Jesus' cross.
