

It Is by Grace, and Grace Alone

By Rev. John C. Stennfeld

Text: Ephesians 2:8-9

Tune Meter: CM

Suggested Tune: St. Peter

It is by grace, and grace alone,
That we have been forgiv'n;
And only through the gift of faith
Can we inherit heav'n.

It's not by works, lest we should boast,
That makes us clean within,
But that God gave His only son
To wash us of our sin.

And so we are God's workmanship,
Created, now, to serve,
To share, with others, God's great love,
Which they, nor we, deserve.

Though we, by nature, do no good,
God has transformed our heart;
By grace, through faith, we have received
From God, a brand new start.
