

Jesus Alone Opens the Door

By Rev. John C. Stennfeld

Text: John 14:6

Tune Meter: CM

Suggested Tune: Belmont

Jesus alone opens the door
To everlasting life,
For it was him, and him alone
Who suffered for our strife.

He paid the price on Cal-vry's cross
When he bore all our sin,
And thus, to him, we owe our thanks
For cleansing us within.

He is the way, the truth, the life,
The gate, and yes, the door,
'Tis only through our faith in him
We'll live forevermore.
