

Lead Us Not into Temptation

By Rev. John C. Stennfeld

Text: 6th Petition, and Luke 22:40

Tune Meter: 87 87 D

Suggested Tune: O Du Liebe Meiner Liebe

1)Lead us not into temptation,

This we ask of you, dear Lord;

From the devil's flaming arrows

E'er protect us by your Word.

May the power of your Spirit

Guide our hearts and point the way,

That we, life with you, inherit

On that last and glorious day.

2)When this world begins to tempt us

And great trials we must face,

Help us know that you are with us,

And sufficient is your grace.

May the faith which you have given,

Be to us our strength and shield,

May we stand 'gainst all temptation,

And to Satan never yield.

3)If our lives become too heavy

And we cannot follow you,

By your grace, please, then uphold us,

Help us see this journey through.

Give to us your mighty presence,

Fill us with your precious love,
