

## Let Not Your Heart E'er Troubled Be

By Rev. John C. Stennfeld

Text: John 14:1-7

Tune Meter: CM

Suggested Tune: Dundee

“Let not your heart e'er troubled be,”  
Are Jesus' words to me,  
For he has made a place for us  
To live eternally.

And if he has gone to prepare  
A home in heav'n above,  
He will come back to take us there  
To fill our lives with love.

We know the way to where he went,  
In heaven to abide,  
And so we follow Christ alone,  
Right to the Father's side.

“I am the way, the truth, the life,”  
Said Jesus long ago,  
And only those who heed Christ's word  
Can e'er the Father know.
