

## Lord, Help Me Overcome My Fear

By Rev. John C. Stennfeld

Text: Mark 9:24

Suggested Tune: LM

Tune Meter: Erhalt Uns, Herr

Lord, help me overcome my fear,  
And see Thy grace, with vision clear;  
Help me to trust in you each day,  
And follow in Thy narrow way.

Though I believe, yet still I doubt,  
And in my fear it all comes out,  
Thus I need Thee this very hour  
To give me strength with Thy great pow'r.

For you are God, and you alone,  
And only you can bring me home,  
To live with you in holy love,  
And reign with you in heav'n above.
