

## Oh, How I Love Your Law, O Lord

Text: Psalm 119:97-104

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested tune: St. Peter

Oh, how I love Your law, O Lord,  
I think on it all day,  
For Your commands enlighten me,  
And with me always stay.

Much insight have I gained from all  
The statutes You have taught,  
And understanding, I have learned,  
When it's Your word I've sought.

From evil I have kept my feet  
That You, I might obey,  
And on Your precepts meditate,  
Throughout the length of day.

Sweeter than honey to my mouth  
Are Your words e'er to me,  
Therefore each wrong path I will hate,  
And only follow Thee.
