

Oh Lord, Forgive Us When We Stray

By Rev. John C. Stennfeld

Text: Jeremiah 23:16-29

Tune Meter: LM

Suggested Tune: Tallis Canon

Oh Lord, forgive us when we stray
And do not hear all that You say,
When we choose to go our own way
And fail to follow You each day.

Oh, help us Lord to trust in you,
That we might start each day anew,
And we be numbered with the few
Who follow You our whole lives through.

May we like saints who went before,
Trust in Your word, and You adore,
And all false prophets we ignore,
Until we stand at heaven's door.
