

Our God is a Consuming Fire

By Rev. John C. Stennfeld

Text: Hebrews 12:18-29

Tune Meter: CM

Suggested Tune: Consolation

Our God is a consuming fire;
He spoke, and the earth shook.
In just six days He made the world;
His word is all it took.

He is the One who gives us life,
And also takes away;
Thus may we always honor Him
In all we do and say.

For God will judge those who do wrong,
Who lie and cheat and steal,
And will exact upon them all
A punishment that's real.

So let us always worship God
With reverence and awe,
Rememb'ring that He's God of both
The Gospel and the Law.
