

Sufficient is God's Grace Alone (version 2)

Text: II Corinthians 12: 7-10

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: Dundee

Sufficient is God's grace alone  
To heal us from within,  
To make us perfect in His sight,  
And wash away our sin.

For God, in Christ, has paid the debt,  
And suffered, at great loss,  
The judgement due to all of us  
By dying on a cross.

So we now live each day forgiv'n,  
Free from all guilt and shame,  
For through the Spirit's work we were  
Baptized into His name.

Though we ourselves are not enough  
To wash sin's ugly stain,  
God's grace can cleanse our wayward hearts  
And make us whole again.

So may we boast in Christ our Lord,  
And praise him all day long,  
For even when we are most weak  
Through him we are most strong.
