

That Which Was From the Very First

Text: I John 1:1-2:2

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: Ich Singe Dir

- 1) That which was from the very first,
Which we have seen and heard,
We now proclaim to everyone,
That "life" from God's own Word.
- 2) The message that we heard from God
We now declare to you,
That God is light, and Christ is life,
And all His words are true.
- 3) The fellowship we have with God
As we walk in the light,
Will bind us all and make us one,
For in Christ we unite.
- 4) For it is by the blood of Christ
That we are cleansed within,
Thus far from darkness may we walk,
Lest we still walk in sin.
- 5) And if we claim to have no sin
God's truth, in us, can't live,
But if we freely sin confess
God will, in grace, forgive.
- 6) And so, dear Lord, help us each day
To walk in Your pure light,
That if we sin we still remain
E'er holy in Your sight.
