

The Desert Lands Will All be Glad

By Rev. John C. Stennfeld

Text: Isaiah 35

Suggested Tune: Consolation

Tune Meter: CM

The desert lands will all be glad,
The wilderness rejoice,
The flowers will burst into bloom
And sing with loudest voice.

God's glory then will be revealed
For all the world to see,
With retribution He will come
To save both you and me.

Then will the lame leap like a deer,
The deaf ears all will hear,
And water in the desert sands
Will suddenly appear.

Therefore be strong and do not fear,
Look forward to that day,
For God will place a highway there
To follow in His way.

And all the ransomed of the Lord
With joy will take their place,
And enter Zion singing praise
As they behold God's face.
