

## The Grace of God Made Us Alive

By Rev. John C. Stennfeld

Suggested Tune: St. Flavian

Text: Ephesians 2:8-9

Tune Meter: CM

The grace of God made us alive  
When we were dead in sin,  
For Jesus died upon the cross  
To cleanse our hearts within.

For it is by God's grace alone  
That we have been forgiv'n,  
And only by the blood of Christ  
Shall we inherit heav'n.

No works of ours could e'er repay  
The debt, from sin, we owe,  
And thus it only is by grace  
That life, with God, we'll know.
