

The Scriptures are the Word of God

By Rev. John C. Stennfeld

Text: II Timothy 3:14-4:5

Tune Meter: CM

Suggested Tune: Dundee

The Scriptures are the word of God,
Able to make us wise,
Because they point us to God's son,
Who came down from the skies.

So too, in Scripture, we soon learn
How from sin to be free,
The truth that Jesus came to earth
To die on Calvary.

And though false teachers do abound
Who teach another way,
May we, in faith, trust only Christ,
Who died, our debt to pay.

And may we never look to those
Who please our itching ears,
Who say only those things we like
Throughout our earthly years.

But may we rather look to God,
And to His word alone,
To lead us through our time on earth,
And to our heav'nly home.
