

Tis by the Blood of God's Own Son

By Rev. John C. Stennfeld

Text: Hebrews 10: 19-25

Tune Meter: CM

Suggested Tune: St. Peter

Tis by the blood of God's own son
That we have been forgiv'n,
And thus with confidence we claim
Our hope of life in heav'n.

Unswervingly may we hold on
To that hope we profess,
For faithful is the One who gave
Us his own righteousness.

Let us consider how we may
Spur others on to love,
Continuing to always meet
Till we are home above.

Let us encourage each other
As that last day draws near,
And may good deeds abound through us
Till Christ's return is here.
