

To God, with Joy, Shout All the Earth

Text: Psalm 66

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: Caithness

To God, with joy, shout all the earth,
Sing glory to His name,
Make known His praise throughout the world,
Give Him, alone, acclaim.

How awesome are your deeds, O God,
Your strength no one can know,
In fear your adversaries cringe,
Your enemies bow low.

Come now and see what God has done,
The wonders of His hand,
On man's behalf our God once turned
The sea into dry land.

He rules forever by His pow'r,
His eyes watch ev'rywhere,
He keeps our feet from slipping, as
We live under His care.

So listen well, you who fear God,
Come see what He has done,
Sing praise to Him with mouth and tongue
From morn to setting sun.
