

When Those Large Crowds Whom Jesus Fed

Text: John 6:22-35

Tune Meter: CM

Suggested Tune: St. Anne

When those large crowds whom Jesus fed
All woke up the next day,
They looked for Jesus 'cross the lake,
And searched without delay.

And when they found the Lord they asked,
"What works does God require?"
"To trust in God's own son," he said,
"And only him desire."

"I am the bread," the Lord declared,
"Come down to earth from heav'n;
To all those who believe in me
Eternal life is giv'n.

All those the Father gives to me
I'll never drive away,
But I will raise them from the dead
When I come back some day."

Therefore, may we, God's work e'er do,
And always thus believe,
That life eternal, one day soon,
From Christ we will receive.
