

## Ye Servants of the Lord Most High

Text: Psalm 113

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: Ich Singe Dir

Ye servants of the Lord most high,  
O praise His holy name,  
Both now and e'en forevermore,  
May we, His praise, proclaim.

From when the sun first rises up  
In far off morning sky,  
Until the moment that it sets,  
'Tis God we'll glorify.

He is exalted far above  
The nations of the earth,  
Thus who is like the Lord our God,  
Or who can grasp His worth?

The poor He raises from the dust,  
And lifts the needy too,  
Therefore, will I, each day I live,  
Give Him the praise He's due.
