

You, Lord, Forgave Your People's Wrongs

Text: Psalm 85

By Rev. John C. Stennfeld

Tune Meter: CM

Suggested Tune: St. Flavian

You, Lord, forgave your people's wrongs,
And covered all their sin,
You set aside your fierce wrath, and
Revived them from within.

Your faithfulness springs forth, O Lord,
As you give to our land
A harvest full of what is good,
All blessings from your hand.

Restore again your people, God,
So that we may rejoice,
And give you praise for your great love
With heart and soul and voice.

Show us, O Lord, your promised peace,
And your unfailing love,
Salvation grant to us one day
In heaven up above.
